Re: *United States v. Aviram Azari*, 19 Cr. 610 (JGK)

Dear Judge Koeltl:

The Government, with the defendant's consent, respectfully requests that the Court adjourn the next status conference in this case, currently scheduled for February 25, 2020, until on or after April 14, 2020, which is a date that works for both parties. The Government has produced voluminous discovery in this case and the parties have been engaging in preliminary discussions about a possible resolution. The additional time will enable the defendant to continue to review discovery and the parties to engage in further discussions about a pre-trial disposition. If this request is granted, the Government further respectfully requests that the Court exclude time under the Speedy Trial Act through the date of the next conference.

The defendant, through his attorney, consents to the adjournment request and to the exclusion of time under the Speedy Trial Act.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney
